

Pilar Anderson – Bio

I currently manage the U18 Boys Regional team.

I have managed the 2001 Boys Waterloo competitive team for seven years and am familiar with Waterloo Minor Soccer Club and all leagues of the pyramid of play in Ontario. I have been involved with my children's house league teams prior to their competitive play.

I hold Soccer for Life and Respect in Soccer credentials as well as Disciplinary Chair for Waterloo Minor Soccer Club and the South West Regional Soccer Association.

For the last year I have held the position of President and prior to that I held the position of Board of Directors Secretary for 5 years.

I also currently sit on the South West Regional Soccer Association's Board of Directors as District Youth League Director.

I have lived in the Waterloo region for over sixteen years. Prior to moving to the Waterloo region, I have over twenty years' experience playing for and assisting soccer teams at recreational and representative levels (managing, fund raising etc.) out of the Burlington area.

My professional background includes business, banking and financial investment.

Other work experiences/sport related volunteer service includes Chicopee and Chedoke snow school/ski instructor/coach, ski school director administrative duties where I oversaw ski/snowboard programs, organized program schedules, worked with technical staff developing new programs and means to deliver new programs, liaison with City recreation departments, local community groups, school boards and other stakeholders.

I consider serving on the board of directors as another way in which I can help serve not only my son's team, but also the club members at large. I would like to have the opportunity to apply some of my talents and experience where it can make a difference to the club.

Thank you for your consideration.
