Attn: WMSC Office and WMSC Board

I am married and a father of 4. I have resided in Waterloo for 18 years and this is my 8<sup>th</sup> year coaching with WMSC in the competitive program. I have been involved in the local soccer community for decades on various levels as a player, parent, coach, and also at the administrative board level.

As a volunteer coach, I have dedicated myself to providing a coaching program of the highest standards that promotes player and team development along with a healthy, challenging and enjoyable soccer experience. I continue to represent the club professionally and align myself with the Club's objectives, values and philosophies and am prepared to dedicate myself to the highest standards.

Through my professional career, I have experience in administrative leadership, project management, effective budget and financial management. I have excellent communication skills and experience in conflict resolution. I believe in collaboration, team work and transparency at all levels.

I am confident that my skills, experience and positive attitude will be an asset and have a favourable contribution to Waterloo Minor Soccer

Thank you for considering me as a Director for the Waterloo Minor Soccer Club.

Rob Milne
