Physical Literacy Movement Preparation Coach Workshop

A component of training to enhance performance and durability

March 24, 2018 | 9:00am to 12:00pm

Albert McCormick Community Centre – Community Room
500 Parkside Drive, Waterloo, ON N2J 4A8

Physical Literacy Movement Preparation is an enhanced training program performed as a warm up before practices and games to enhance performance and durability. Movement preparation not only prepares the body for movement, it also improves the way you move, reducing the risk of injury during physical activity and teaches skills necessary for performance often neglected during regular training.

Participants will complete two eLearning modules in preparation for a mentor lead practical in person peer teaching session supported by instructional materials. This training will better prepare the participant to assist in the development of better movement skills in their athletes through a developing physical literacy approach.
