Charlotte Mannella

Wednesday, February 7th, 2018

Waterloo United would like to congratulate Charlotte Mannella of our U18A Girls Team who accepted an offer to play NCAA Division two Soccer with the [USC Aiken Pacers](#). Charlotte has been highly active in the South Western Ontario soccer community playing for Burlington Youth Soccer, Guelph Soccer Club, and since 2017, Waterloo United. She is also an Ontario Soccer Match Official and received her Ontario Coaching Credentials through her high school, Bishop MacDonell. Charlotte's main positions are left wing, striker, or attacking midfielder.

When asked about what attributes she hopes to bring to the Pacers program she responded, "I consider myself as a playmaker when I take to the field with my school and club teams. I make opportunities for my team to win."

She goes on to say "I am a highly active and passionate athlete always ready and willing to take on the next challenge presented to me. My passion for soccer is not only for competition but also to teach others about the game."

Waterloo United would like to wish Charlotte all the best in her next challenge. We know that Charlotte will make us proud as she competes and studies at the University of South Carolina Aiken.
