Kick Off Cup 2018 – U18 B Boys

May 16th, 2018

The U18 B boys played in Stratford - sunny, 20 C, dry – so the experience was great! Cowen field – turf – is where they played all games and this was to their advantage against the older (and much larger) teams.

Saturday May 12th, Waterloo United beat Orangeville (U21) 2-0 and then Huron United (U21) 4-2 to take first place in the age group and secured their spot in the semi on Sunday May 13th.

They boys were happy to not have to get up at 6:00AM on Sunday for an 8:30AM quarter final. Sunday at 12:30PM they played Kitchener (U21) in the semis winning 4-2. Waterloo United then met Orangeville again in the final, winning 4-0.

The boys played well, moving the ball quickly up and across the field with short passes and great movement off the ball. Spectators and coaches really enjoyed watching the team play Saturday and Sunday!!

A great overall team effort – everyone contributed in many different ways both days. They came away without any significant injuries enabling most of the players to continue to focus on their high school semis and finals this week.

Waterloo Minor Soccer Club would like to congratulate our U18 B Boys for winning the 2018 Kick Off Cup Final!
