U14 B Girls SWRSA Cup Champions

September 17th, 2018

The Waterloo United's U14 B Girls team went into the SWRSA Cup and played their hearts out finishing with a 4-0 record. The Semi-final game ended in a tie which led to a nail-biting match that ended in penalty kicks. Goalkeeper Alison Crowley made the save to take the win against Woolwich S.C.

On Saturday, the U14 B Girls moved on to play Kitchener S.C. in the finals, defeating them 1-0 with #17 - Andrea Saraiva scoring the lone goal! The team played Kitchener four times throughout the 2018 season with this being the final meeting between the two teams. WMSC is very proud of our U14 B Girls team and would like to congratulate them on this great accomplishment!
